Monday 21st June 2021

Dear Parents/ Carers,

As you will know, cases of Covid-19 in Liverpool are on the rise, doubling every 5 days approximately. To date, we have been very lucky that only a small number of children and adults have tested positive from OLGH.

I am sure we want this to remain the case. Therefore, the following rules still apply:

- Social Distancing at the school gates (2m);
- All adults must wear face coverings at the school gates (unless medically exempt);
- If you or your child develop a cough, temperature or lack of taste/smell, the family must isolate and symptomatic people must get a PCR test (not a Lateral Flow Test);
- Isolation ends if the test is negative;
- If positive, isolation will end 10 days from when symptoms began or from the last contact with a positive case;
- Children isolating must access Google Classroom to complete schoolwork – if they are well enough to do so.

To report a positive case to school outside of school time, please email covid@olgh.co.uk with the details: who it is, when symptoms began and whether they have had a PCR test.

If school is open, please contact the school office via telephone or email schooloffice@olgh.co.uk.

Please do not knowingly bring your child to school if they are displaying any of these symptoms as doing so puts others at increased risk.

Thank you for your support.

Kind regards,

Mr. McQuiston

Acting Head of School
