- Health and Safety Executive <https://www.hse.gov.uk/>

Referring to the following guidance and publications, as applicable:

- HSE COVID19 latest information and advice
- HSE Working safely during the coronavirus guide
- Government guidance COVID-19: guidance for schools COVID-19
- Government publication COVID-19: cleaning in non-healthcare settings
- Government publication Best Practice: how to hand wash
- Government guidance for food business on Coronavirus (COVID-19)
- Government guidance COVID-19: Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE)

Due to the changing advice on COVID-19, managers should ensure they review safe working procedures and protocols regularly, until such time when it is unnecessary.

Staff undertake twice weekly home tests (Sunday and Wednesday) whenever they are due on site until the end of September when advice will be reviewed.

There is an adequate supply of disposable PPE, as per specific task requirements, and all staff provided with instruction in the correct use and fitment:

- Public Health England and NHS YouTube video, COVID-19: putting on and removing personal protective equipment (PPE) – a guide for care homes

PPE provided, as required following specific current guidance for the protection of COVID-19 detail type and standard, as applicable:

- Disposable half face mask
- Disposable gloves
- Disposable aprons
- Where personal care is to be provided eye protection/surgical face mask
- *detail any other specific disposable PPE in use*

All used PPE should be double bagged and disposed of appropriately – store safely and securely for at least 72hrs before disposing via the normal waste stream.
